NEW LEDGE IN BINGHAM-BUTTE of the present year. DOINGS OF UNLISTED

Six Feet of Shipping and Milling Ore Tapped 100 Feet From Main Vein.

Another fine ledge has been opened in the properties of the Bingham-Butte company, at Bingham. Its presence in the ground was known, of course, but what it would show at depth was something that had to be determined.

is understood to be held in Butte, is stated that business men of Bing ham and local operators familiar wit the property's development have be come heavily interested in it durin the past few months. No splurge ha been made concerning what has been

COPPER STOCKS IN BOSTON AND NEW YOR

Following is the daily market commen of Paine, Weber & Co., Boston, togethe with the range of prices of copper stoc and other Boston listings in which the west is interested, as well as a similar eport on New York curb transactions by James A. Pollock & Co., and from which it is secured for use in this department of The Herald:

Boston, March 6.—Same old story. Extreme duliness. Nothing but bad news Everybody selling. Market absolutely stagnant. No change for a month. Draw your own conclusions. Our guess is that the big men are quietly accumulating stocks and will not let them move far until they get their line.

Light Six Touring Car.

A four-cylinder car never has that delightful sensitiveness to the throttle which is a constant source of pleasure in a six. The famous STEVENS-DURYEA UNIT POWER PLANT and three-point suspension makes possible a six-cylinder car of faultless design.

STEVENS-DURYEA SIXES.

Are a known quantity; do not purchase an experiment simply because it is a six. A demonstration in a light six will be very convincing.

Capital is getting in, without a doubt, for there is a good deal of property changing hands. The leasers are doing a great deal of work toward development, and they are getting encourage ing returns. I saw a big freight team going out on Saturday, and that is a good sign. I see no reason why Rawhide should not make a good camp. The road in from Mina is in excellent condition for travel.
